<sup>1</sup> The discovery cut-off in this case was February 15, 2008, and plaintiff has not shown good cause for failing to file her second motion to compel in a timely manner. Because plaintiff's second motion to compel raises alleged deficiencies in defendants' responses to discovery that were not raised in her first motion to compel, the court cannot construe the second motion as a renewal of the first motion pursuant to the court's order (Doc. # 40) entered February 11, 2008.
